

The success of Tour Master's Motor Officer Flex-LE jacket in providing protection and comfort with a traditional look is now available in Tour Master's new Motor Officer pants. These pants are manufactured with cutting edge technology, with features like abrasion resistant 600 denier Carbolex construction, Tour Master's Z.O.Q. (Zip-Out Quilted) Liner, removable CE-approved armor in the knees and hips, and side cargo pockets all in a traditional uniform appearance.

Styles include over and inside the boot in black and sheriff green in a full range of sizing. Please contact [www.policehelmets.com](http://www.policehelmets.com) for suggested pricing and more information, or call Helmet House's L.E. Department at 1-800-421-7247 ext 296.
