ST-LE MOTOR HELMET

A Contemporary Update to the Traditional Motor Officer Helmet.

The Shoei ST-LE half shell helmet is the last word in traditional design offering contemporary features. With a lightweight Advanced Integrated Matrix (A.I.M.) shell, the ST-LE gives the officer an ultra-lightweight, rigid and resilient shell combined with adjustable forehead venting, and a moisture-absorbing brushed nylon interior.

Other features include:

- Lightweight "Bag-Molded" Advanced Integrated Matrix (A.I.M.) shell.
- Adjustable forehead venting allows flow-through ventilation.
- Comfortable, plush nylon interior.
- Removable zip-off neck curtain.
- D-ring strap retention system.
- High-gloss black leather visor.
- Custom painting available*
